

Swift survey training

Volunteer and help us count swifts this summer

RSPB and Edinburgh City Council are running a training session to equip volunteers with the skills and knowledge in surveying swifts. We want to try and gather accurate records of swift numbers across Edinburgh this summer and in order to do this we need your help.

If you are interested in volunteering and coming to the training or would like more information please email amber.jenkins@rspb.org.uk or call RSPB on 0131 317 4100 and ask for Amber Jenkins
